ORGANIZERS: This personalized trip is an initiative that started after Woodlands Equestrian Club's friends and members showed their interest to travel to Spain with us, a Spanish family who love horses. WEC's staff is organizing the logistics of this trip not as an agent but as a services customer service. We are selecting those vendors that we know and/or consider more appropriate for a pleasant and interesting trip. Each of its participants (including WEC's staff) will pay for the vendors' services as a group travelling together. We are suggesting extra alternatives to this trip for those who would wish to stay longer in Spain or Europe.
